

# Community Living VICTORIA

Different abilities. One community.

Victoria, British Columbia  
V8Z-1C8

Dear Neville,

Community Living Victoria would like to thank you and Agenda Office Interiors for your gracious donations of office furniture over the past year. Your donations have helped furnish our new West Shore Office and our Community Team office in Victoria.

As a non-profit society dedicated to providing support for people with developmental disabilities, we do not have a budget for office furnishings. Your donations of chairs, desks, bookshelves, couches and tables have enabled us to furnish our offices so that we are able to work and meet with supported individuals and families in comfort.

We at Community Living Victoria pride ourselves on assisting those in need in our community who require unique supports and services. The support of Agenda Office Interiors has assisted us to achieve our mission which in turn makes our community more inclusive for everyone.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Mike Jensen', with a long horizontal flourish extending to the right.

Mike Jensen  
Program Manager
